I don't	think I'll be there as we have another date.
You come an	ould ask if any committee head needs a list of people who have volunteered. If so, they can send email: <a href="mailto:registrarskilarchhills@shaw.ca">registrarskilarchhills@shaw.ca</a>
I will s	send them a link.
Also, t cranky	the membership needs to know that the price increases December 9, or I'm going to have some people!

Larch Hills Sprint Trails Proposal - April 12 2016.pdf

My apologies to everyone for not making the meeting last night.

Looking at the agenda there are two items that I would like to report on.

## Sprint Trails

I have two cutting licences that will be in place by the end of this week. One is for the areas immediately around the chalet (see attached map areas A and B) the other is for the trails in our recreation polygon (areas C through G) The first licence for areas A and B is based on paying a stumpage fee to the ministry after logging for wood removed. The second is a cash sale, so we will be required to pay a fee up front for wood that will be harvested and sold. After discussions today I anticipate that this fee will be around \$4000.00 and will be due when I deliver the licence documents on Friday afternoon October 7, 2016, I may need Al or Duncan to come with me to sign on the dotted line and provide the cheque.

Gary Hartling has been meeting and talking with log buyers from both Tolko and North Enderby Timber (Cedar) and rough estimates right now are that we will be removing and selling between \$15,000 and \$20,000 worth of timber.

Logging, Stumpage fees, Trail construction and Hauling costs will have to be deducted and the race team has allocated \$5,000 towards this project. I am optimistic at this time that the costs to the ski club will be minimal. I would like to thank Phil Wallensteen, Geoff Lawless, Forsite Consulting, Gary Hartling, George Jackson, and John Theilman for there contributions of time and effort so far and continued work while we move forward into construction.

Yes it looks like we will have sprint trails developed for this years BC Cup and expanded areas for Jackrabbit's enjoyment for this ski season!!

## Private Land Holding

As most of you are probably aware the private land to the south of the chalet is for sale (the sign was put up on September 25, 2016). This parcel of land includes two 160 acre pieces. I have talked this week with owner Glen Ritchie and have found out that there asking price will be \$695.000 for each 160 acre parcel. This price is partially based on a estimated 4500 meters cubed of merchantable timber on each 160 acres. The fact that this property is for sale will not affect our trails this year unless it is sold. This includes the continued use of Sunshine as a canine trail.

Again, sorry I missed last nights meeting. These reports can be place into the minutes if you think it is appropriate.
