In attendance: Abbi May, Pauline Waelti, Bill Prytula, Cam Brown, Karen Tanchak, David Millard, Don Miller, Alan Corbett, Laura Hepburn, Sara Burrill.

Absent: Rob van Varseveld

- 1. **Adopt Agenda** Additions -Cam motion to approve, Bill 2nd.
- 2. **Minutes of last executive meeting** Jan 3, 2023 Dave motioned to approve, Bill 2nd.
- 3. Business arising/outstanding issues: none
- 4. **Treasurer Report** Don- see attached report. There was an audit of the 2nd draw from the Covid grant. There is still significant funds in the lighting account and we expect to have about \$100,000 in total. The grant money was all spent on the project but extra was raised by the community. The lighting committee will decide how to use the extra funds.

Memberships are down from last year by about \$16,000. Trail fees are up about \$1000. Building maintenance was up in 2022 due to the cost of staining and the deck support for the chalet.

Equipment repairs were high in 2022 at about \$47,000 including \$34,000 on repairs to the PB.

Don and Karen now have credit cards for Larch Hills. Some monthly charges will now go on the credit card such as Garmin In-reach. We will also transfer the internet/ telus and Zoom.

Zone 4 tried to transfer the money for the loppet but the loppet account is closed. Don will connect with Zone 4 to have the money put in the general account.

- 5. **Manager's Update** Karen. See attached report. Women's skate ski nights next 2 Thursdays. John is offering free rentals.
- 6. **Programs Update** Sarah

Amber from Play Shuswap asked if Larch Hills might offer a prize donation. Sarah will contact John to see if he wants to donate rentals and we could offer a trail pass for a family.

Sarah is working on the Jackrabbit Fun Day.

They safety committee were looking into the Wilderness First Aid courses, but the executive felt that it isn't applicable to our setting. We will offer half price day rates on Family Day.

7. **LUTP** – David- no recent meeting.

8. **SEC** – David.

There have been minor problems with the snowmobiles overheating in the warmer weather. They have installed override switches on the fans to help. One of the new machines is running warmer. David will have it looked at in the spring.

Operator error damaged the brakes of the safety host machine. Brakes were left on. The machine was repaired and brakes were replaced.

Machines need to run for 5-10minutes to warm up. David will educate the Safety host about machine use.

Brushers are \$5-6,000 that could be pulled by the Kaboda. We need to improve the trail brushing. David will continue to research the options. Some firewood is too long for Cece's. Pauline will keep a separate pile of shorter pieces.

Logging is finished at South Canoe but the conditions are poor and skiing is not recommended.

Craig installed the 3D map in the Chalet.

9. **Events** – Alan

- Track Attack Championships- the event went well. The proceeds were \$14,000. There was record turnout. The event organizers would like a new timing hut. The committee will work on that.
- Race profit sharing (Reino and BC Cup)
 Alan proposed that the LHNS (rather than the race team) puts on the races and holds profits and will use some of them toward race items. The club has committed financial support for the ski team.
 Suzy will communicate with Karen Neil.

Alan will provide a list of what they need for future races. He is considering BC Championships for next season.

Alan spoke to Askews and they would like a list at the beginning of the year of what events we are holding and what donations we are requesting. We will provide the same for Tim Hortons and Save-On.

10. **Track Setter Replacement** – Abbi -no report. They are advertising for donations and have \$17,550 so far.

11. **New Dog Trail** – Suzy

Suzy, Craig and George met with the private land owner. He is on board with the dog trail. He plans to come back at the end of March to walk the trails prior to approval. The wood that is cut down will be sold and help pay for construction.

Additions

- 1. **Tolko logging** -Cam. They are planning logging 3 blocks. None will directly affect the trails. One is below Far East and one is adjacent to Moonwalk (back country trail).
- 2. **Elections at AGM** Suzy. We need a nomination committee. Don, David, Bill, Pauline and Rob. Rob has resigned. David and Bill will let their names stand. Pauline will let her name stand unless someone wants her position. Hermann and Pauline will be the election committee.

LARCH HILLS NORDIC SOCIETY

Executive Meeting Tuesday Feb 7, 2023 7:30 PM,

Operations Manager Report

- January brought more snow and lots of events. Many skiers and parking lots full for RKS Loppet and Track Attack. Really good ski conditions being reported mostly all month. Some very hard and fast conditions that not all skiers enjoyed.
- Trail fees:
 - O December:
 - E-transfers \$812: \$645 Adult, \$80 Youth, \$47 Snowshoe \$40 Cec's
 - Square \$411: \$195 Adult, \$150 Family, \$66 Snowshoe
 - **o** January
 - E-transfers \$1656: Adult \$1,323 Youth \$98, Snowshoe \$135 Cec's 110
 - Square \$326: \$280 Adult, \$10 Youth, \$60 Family, \$46 Snowshoe
 - O Square fees have cost us \$15.69 to process \$737. Credit cards cost us 2.65% but debit cost \$0.10 per use
- Sticker Sales January: \$155
- School Program brought lots of activity most mornings Monday Friday.
 - O Some issues reported to the office. One class of Grade 1 and 2's needed to have parents snowshoe with the class. It appears they walked down the skate lane on Chalet Loop and caused some concerns as they were standing at the bottom of the trail when the skier came down. It was discussed with the teacher and decided that the snowshoes would stay outside the classic track and would only enter the skate lane when assistance was needed. This seemed to work well. The teacher also posted a sign saying school children were on the trail.
 - O The second instance was when a class of 15 children were discovered skiing on the Bilbo's Bog snowshoe trail. The couple spoke with the teacher/parent at the back to see if they were lost and if they could pass the group. They were ignored, so the bushwacked past the group to the front of the line and asked why they were skiing on the snowshoe trail. A confrontation took place and the couple just continued through the bush until they could get back on the trail. The couple wrote a formal complaint and mentioned that they would no longer come on days the classes are using the trails.
- Events that I helped with throughout January
 - o Reino Keski Salmi Loppet Set up and Clean up
 - o Track Attack Setup on Friday and chalet management and clean up on Sunday
 - School Program questions from hosts and teachers
- AIM has been pro-active since John T's article went into the paper. The supervisor has been
 communicating with me to check what road conditions have been like. I had given him a heads up prior
 to each event. Prior to the Pirate Loppet, the main area manager called and asked me to pass along to
 John T that the trucks would be up at 4 am the day of the Pirate Loppet.
- Port-a-potties were picked up yesterday, Feb 6. Had them cleaned for the Track Attack and then again just before the Pirate Loppet.

- Radios it was brought to my attention that Vella Radios was very disgruntled that we had obtained radios and did not go through them. One of our radios was taken to Vella to see if ours were compatible to communicate with the borrowed ones and he questioned where ours came from. Do we need to follow up with some goodwill?
- Extended Dog Trail: 55 emails as of Feb 4 came in pertaining to the dog trail. (4% of the membership) The number of voices is slowing down. No's make up less than 19% of the responses less than 1% of membership.
 - o 6 adamant No's
 - o 39 wonderful addition
 - O 10 wanting to provide suggestions, improvements, etc. 4 leaning to no; 1 leaning to yes; 4 notifying us of dogs on the weekend and 1 worried about the poop inpact on the trails,.

• Safety Committee:

- O The two meeting of 13 and 7 safety hosts to introduce new hosts to the procedures and equipment went well.
- O 3 Mock Safety Rescues have been performed with some great discussions and brainstorming on how to be efficient and effective on the trails.
- O Some discussions arose with Gord Bose from Search and Rescue about the certification status for our safety hosts. We are doing some research if the Good Samaritan Act steps in if our volunteers first aid certification lapses.
- O Hosts have been signing in and taking radios throughout January.
- o Safety Hosts also helped out at the Lantern Ski, RKS Loppet and the Pirate Loppet.
- o Four first aid kits were purchased a WCB Level 2 and 2 WCB Level 1 for the new work machines and a third work machine along with a WCB Basic for the safety machine.
- CCBC has put out a request for photos and/or club information to publish in the 2022-23 Issue of Ski Cross Country. Does Larch Hills want to contribute?
- Allan Bahen forwarded the communications Sovereign Lakes issues the members about grooming and equipment. Would this be something we would like to introduce at the beginning of the season offering a reminder of the equipment, protocols and trail etiquette each December?
- We discussed changing the locks and/or alarm code last meeting. I have not got the quotes for that yet and will put it on my to-do list for this coming week.
