The Competitive and Recreation 17 km routes are identical. Depending on your caliber/speed of skiing, you may have racers passing you on their second lap for the 34km. Please read the start/finish route directions.

Head up Metford Rd, across Bilbo's Bog and go LEFT around Ermine Frolic. Turn left up Reino's Run, left on Cottonwood Cutoff, and left at the south hub to visit the aid station. Keep LEFT as there is a short distance of two-way travel until you are on Plantation Place which will bring you back onto Larch Hills Rd. Turn RIGHT down Baby Moonwalk, turn LEFT onto Willow Switch, RIGHT onto East Dales, and LEFT to get back to the two way traffic on Larch Hills Rd. Visit the Aid Station. From there it is LEFT onto Frodo's Bog, RIGHT down Stig's Loop, and a SHARP RIGHT taking you back up Larch Hills Rd. Turn LEFT onto Gullan's Gully, LEFT down Hot Shot, and LEFT on Ermine Frolic (watching at the bottom for other skiers approaching on your right). Continue down Ermine Frolic and then RIGHT down Larch Hills Rd to approach the lap/start/finish stadium. Keep LEFT to avoid the lap lane and go through the Dark Trail to the finish line.
